VANESSA IS FOR LOVERS

Vanessa Veracruz is a part-time nursing student, part-time porn slut, and full time handful to any man or woman lucky enough to get their hands all over the luscious Latina. "My life is totally cray cray," jokes the round-assed raunch queen. "On a typical day, I might go from sitting in class to eating ass," she laughs. Of course, Vanessa knows that she's really getting educations for the price of one. "You learn a lot sucking dick," she says sincerely. "Sure, there's no textbooks or final exams, but if you can handle a temperamental porn cock, you can handle anything!" Though it's always a good idea to wash your hands after handling, Vanessa.

ANDY SAN DIMAS

A LEG UP

Succeeding in the porn industry is really all about "marketing" and when we say "marketing" we really mean ass. **Andy San Dimas** is a relative newcomer to the sploogeey screen, but she's already made a name for herself by getting her ass full of cock and in front of the camera as much as possible. That's really all there is to it. Sure, you should be likeable, but who cares when you're *this* fuckable! The raven-haired beauty takes John Strong's muscly load on her pussy fur and starts to look around for her next gig. You've got a long future in the porn game, Andy!

HIGH SOCIETY'S CELEBRITY SKIN HOLLYWOOD'S FRESHEST FLESH & NEWEST NUDES!

BY RAMSEY STEELE

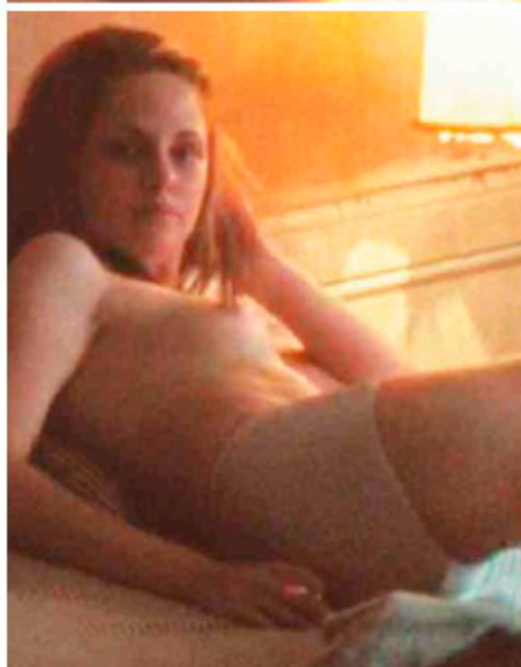

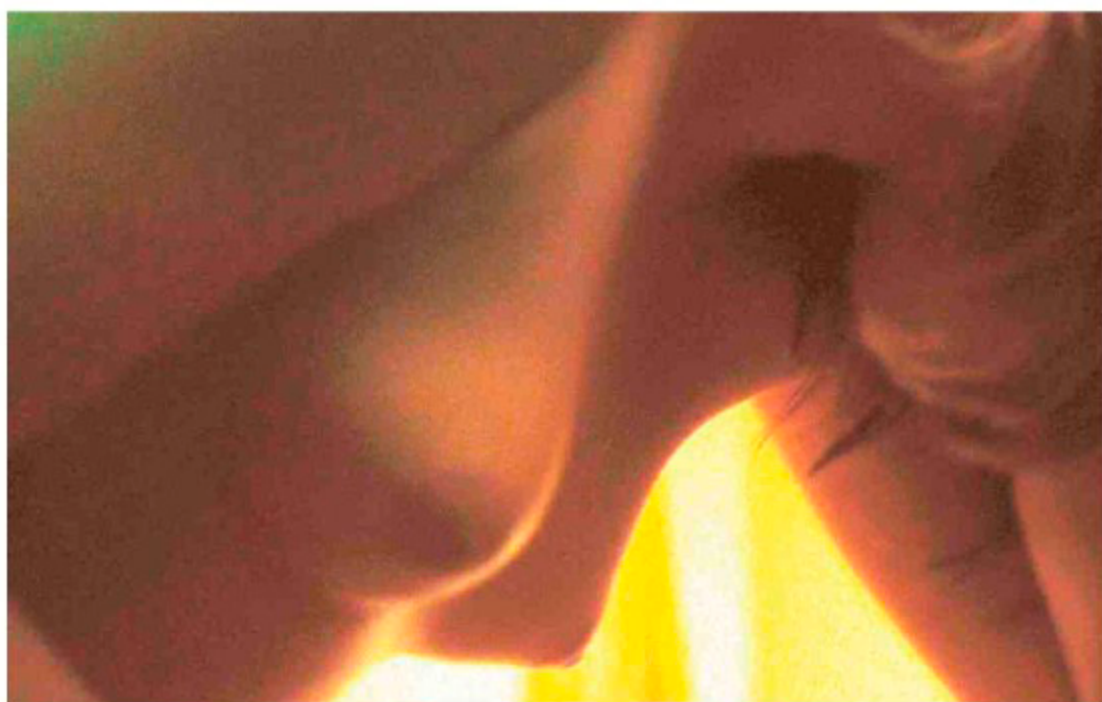

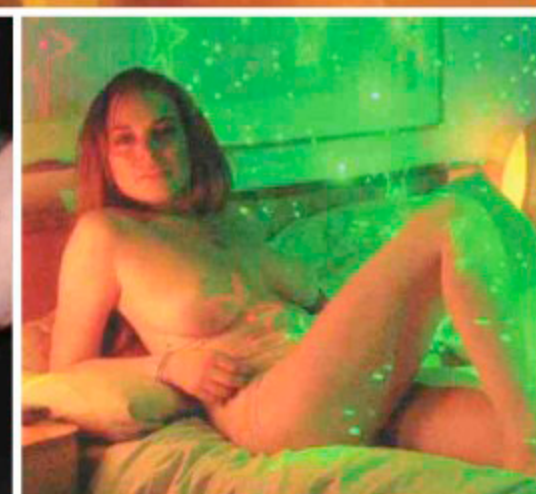

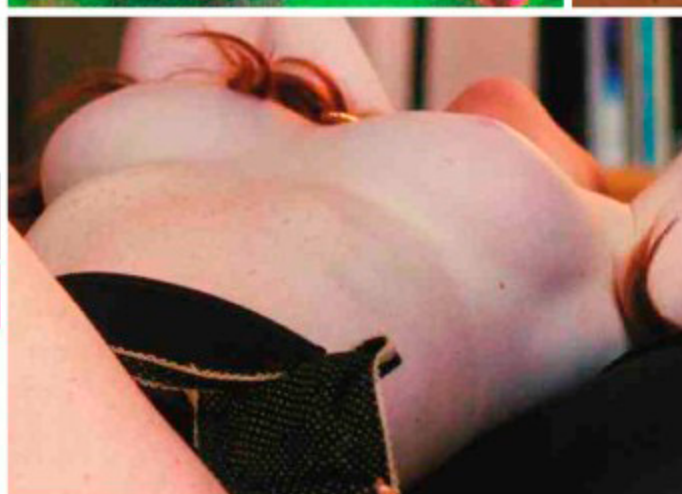

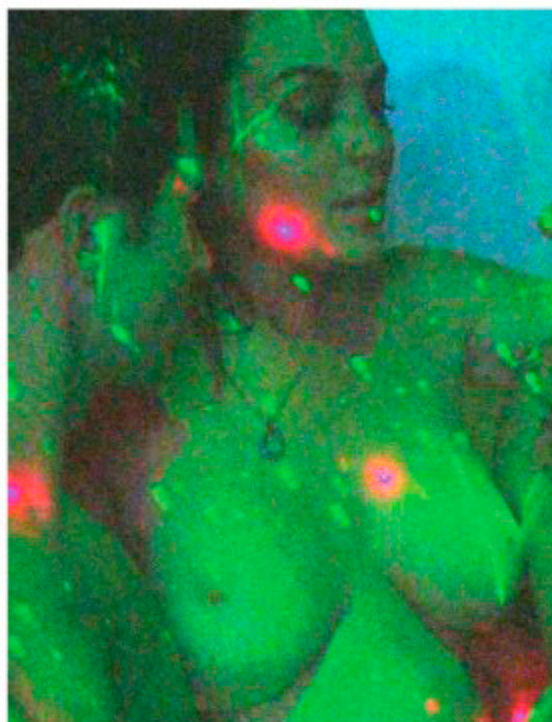

As the fleeting flutter of Fall gives way to the icy chill of Winter, we present to you the latest installment of *HIGH SOCIETY*'s Celebrity Skindiscretions. It's in these hallowed halls that HS brings you the latest crop of Fresh Flesh offerings featuring our favorite, sexiest celebrities who simply can't keep their clothes on! On top this month are newest and nudest moments from such sultry starlets as **Lindsay Lohan**, **Rosario Dawson**, **Chloë Sevigny**, **Kristen Stewart** and succulently-stacked newcomer **Sophie Rundle**. Hey, it's cold out there, so why not let our Celebrity Skindiscretions department heat you up!

LINDSAY LOHAN

THE CANYONS

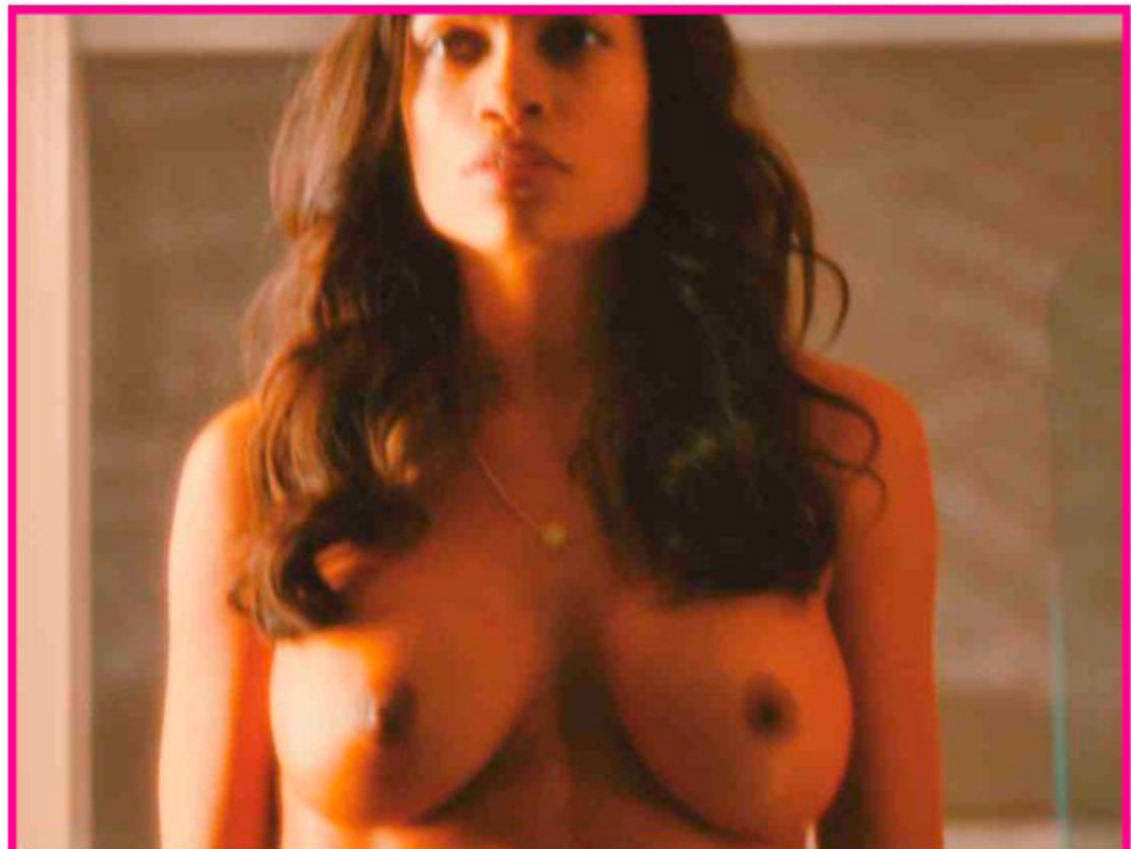

The highlight of acclaimed filmmaker Paul Schrader's 2013 erotic drama *The Canyons* finds the always-loony, ever-lovely Lindsay getting naked and naughty opposite real-life porn star James Deen!

KRISTEN STEWART

ON THE ROAD

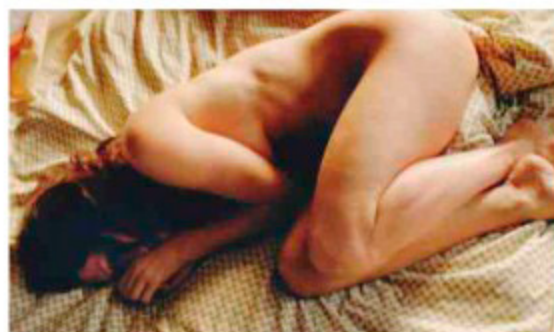

Jack Kerouac's Beat classic *On the Road* inspired a 2012 film adaptation wherein *Twilight* queen Kristen Stewart took on leading lady duties and ripped off her upper garments for her long-awaited big-screen topless debut!

ROSARIO DAWSON

TRANCE

The delicious Ms. Dawson takes a turn for the devious in this 2013 thriller that features Rosie's first-ever, full-frontal of her shaved, hair-less hoochie-coochie! Is it always that smooth, we're wondering...?

CHLOË SEVIGNY

HIT & MISS

The ever-carnal Chloë stars in this 2012 British television series as a transsexual who struggles between caring for her family, maintaining her job as an assassin, and keeping her clothes on!

ELISABETH RÖHM

THE KREUTZER SONATA

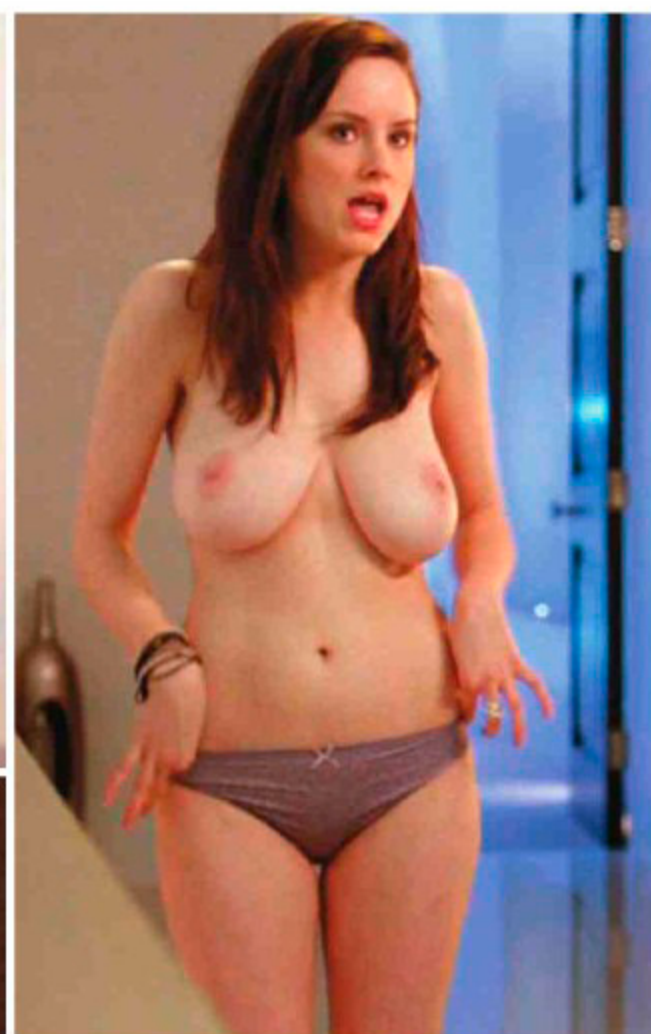

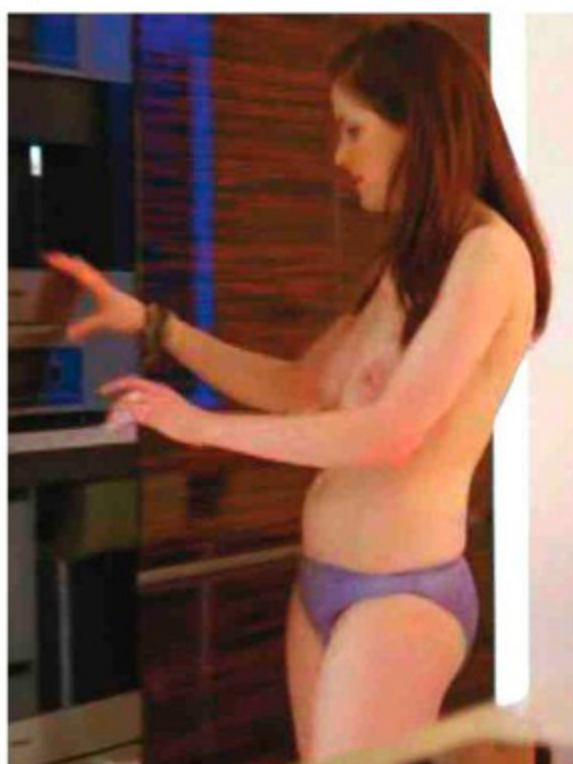

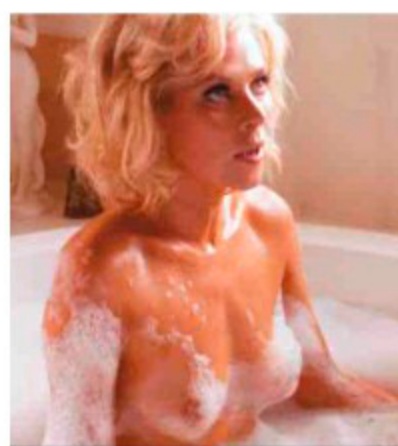

Based on the 1899 novella by Leo Tolstoy, 2008's *The Kreutzer Sonata* works as an argument for the idea of sexual abstinence—which is pretty hard to fathom when Lis's luscious love-globes fill the screen!

ANNA FRIEL

THE LOOK OF LOVE

We missed the ever-game Anna's naked appearance on the British stage in a theatrical adaptation of the famed Audrey Hepburn movie *Breakfast at Tiffany's*, but we satisfied our craving for Anna's beautiful bon-bons in this 2013 biopic on controversial British entrepreneur Paul Raymond.

SOPHIE RUNDLE

EPISODES

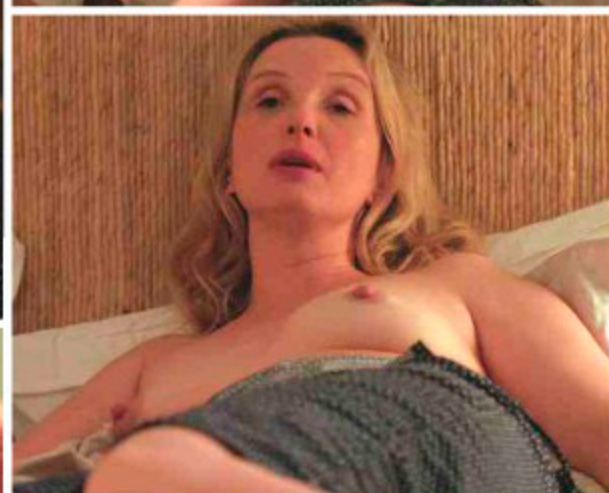

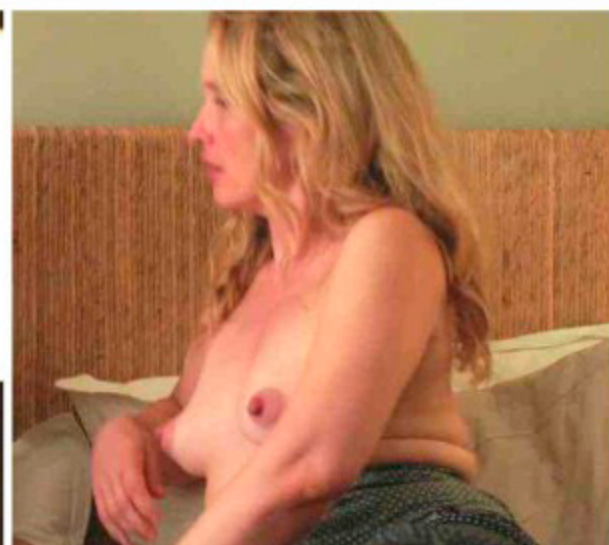

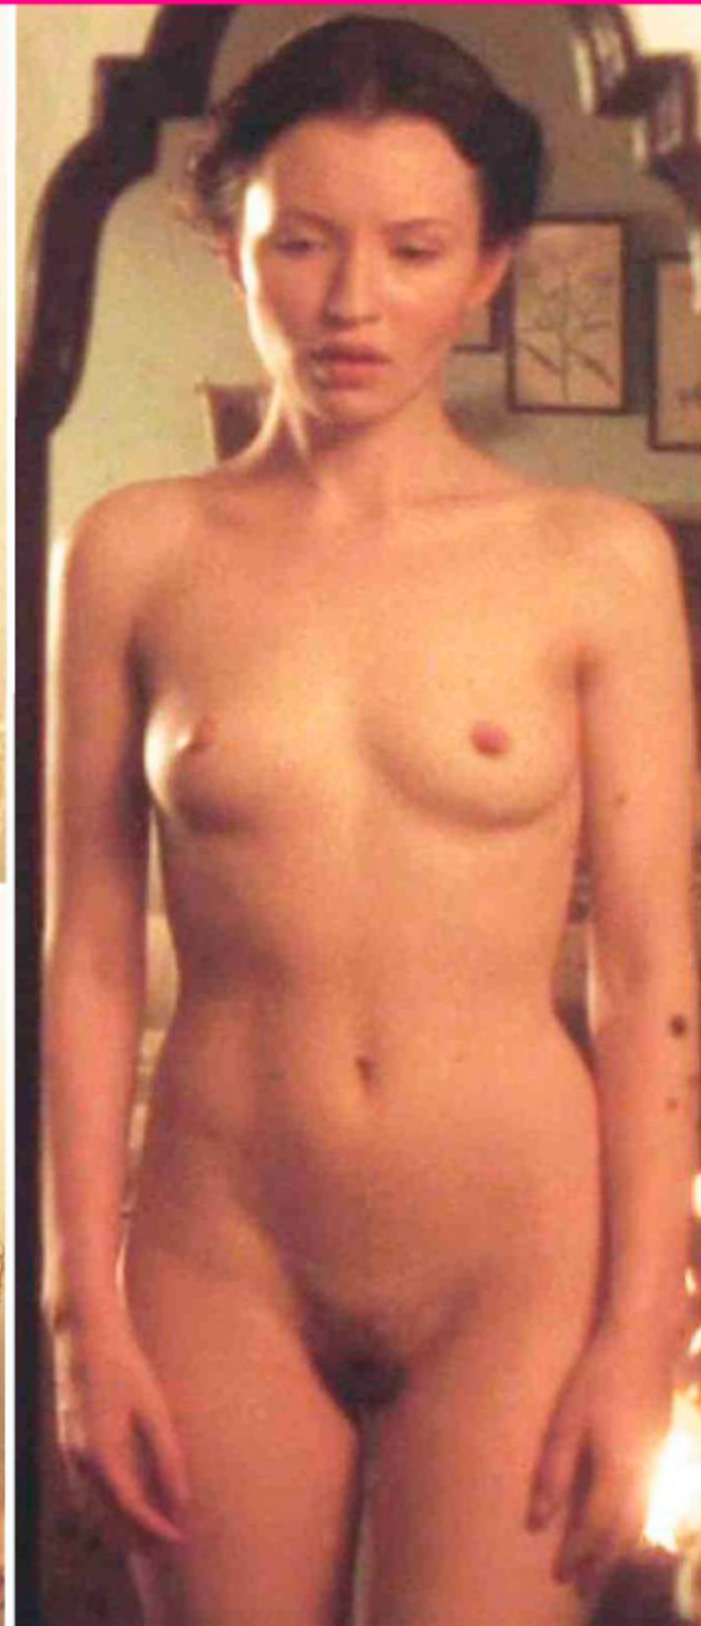

Bodacious British up-and-cummer Sophie recently unfastened her over-the-shoulder boulder-holders and let loose her gargantuan gozangas in this sexy 2012 Showtime series.

EMILY BROWNING

SUMMER IN FEBRUARY

Evocative Emily, a former child actress who successfully made the leap to adult roles in feature films with 2011's *Sucker Punch* and the erotic arthouse entry *Sleeping Beauty*, returns to the Skindiscretions pantheon with the 2013 romantic drama *Summer in February*.

JULIE DELPY

BEFORE MIDNIGHT

At the age of 44, juicy Julie was none-to-shy when it came to unveiling the Delpy Delights in 2013's *Before Midnight*, the third entry in Richard Linklater's well-liked *Before Sunrise/Before Sunset* trilogy.

SUNNY LEONE'S FREE-FOUR-ALL

33611

Girls night in means that these four hotblooded hairpie-licking lesbos take a break from their straight lives as cocksucking girlfriends and wives and get back to basics like crotch-grinding, rubbing thighs, and anal scissor-fucking. No night is official until each girl gets off. So, as the four friends and fuck fiends pass around the vibrating dildos, the moans get louder, and the pussies get wetter. And the thoughts of their significant others...totally disappear.

SAMANTHA SAINT SEEING RED

33610

The color red has many associations, from a sense of warning to a sign of heat, communism, and blood. It supposedly makes bulls charge. But for melon-breasted **Samantha Saint**, the color red makes her pink hole get warm, moist, and sticky. "It's such a sexy color," says the alluring blonde. "You think of the sexy woman in the deep, red lipstick. Sexy, red stiletto heels. Red-light districts. And what's hotter than a fast, red car?" she says. Sure, red has its uses, but a green light from a hot, sexy woman makes all the red in the world seem slow and unyielding.

100% ANAL

ALL ANAL ALL THE TIME!!!

Marica Hase really wants some hard, nasty anal service, and she's got the kind of perfectly round and fuckable butt that loves nothing more than hard penetration. But, she figures, why should her pussy have to suffer alone for her dirty butthole's desires? Her solution? She gets **Tigerr Benson** to help her with the math. The answer was as easy as one dick plus one dick=two penetrations. Actually, a DP is the answer to so many of life's difficult problems. One cock up the pussy and one cock up the butt. Some things just make sense. There's no improving on perfection. Marica moans loud enough to wake the 15 neighbors living in the studio apartment next door. Hmm, she figures. Fifteen plus two?

IS HAARP STRIKING A CHORD FOR WORLD IMPOTENCE?

Story by PETER THOMPSON Illustration by WAYSNAK

"Find out just what any people will quietly submit to and you have the exact measure of the injustice and wrong which will be imposed upon them..." —Frederick Douglass

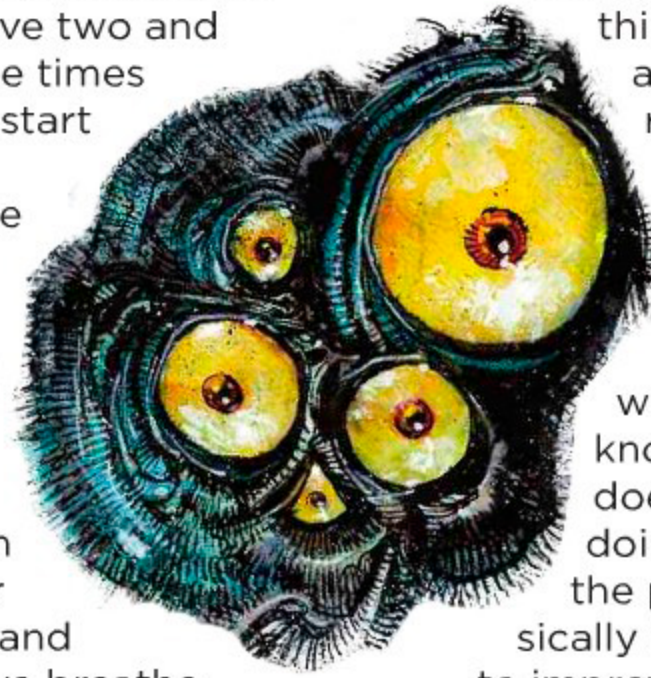

Turns out that the once super-virulent strain of rugged mid-American male stock, the cowboy-hat-sporting gentleman farmer and his horn-rimmed urban company man in suit and tie, *will* quietly submit to sundry erosions of his civil liberties. He'll put up with stealthy, creeping violations of his Constitutional rights and the very desecration of everything he holds dear—but he does draw one solemn, impassable line at his ability to pop a proper hard-on.

Sure, you can limit his freedom of speech, the right to peaceably assemble, even put limits on his right to vote—just don't even think about yanking this yank's ability to sprout and maintain a serviceable erection.

There are some lines you just *don't*

watering hole. What do you see that's strikingly different from a picture snapped at that same venue taken today? Facial hair. Almost every man's face was as hairy as a bulldog's armpits. Back then men had to shave two and sometimes three times a day, lest they start to resemble a hobo just off the boxcar. Nowadays, beards are sparse, full of hipster irony. That's because there's estrogen in plastic, in our drinking water, and in the very air we breathe.

The primary female sex hormone seems to be getting more influential while testosterone (its male counterpart) is becoming harder to locate than dark matter. Is it simply Mother Nature rearing her feminist skirt or is

ment experiment HAARP, (High Altitude Auroral Research Project), based in Gakona, Alaska. Conspiracy nuts have been onto HAARP since the beginning. The clandestine project has been blamed for everything from weather control and steering Hurricane Katrina right into downtown New Orleans to using its low frequency waves to take control of people's minds and directing them to do things they otherwise wouldn't do. Nobody knows for sure what HAARP does or what it's capable of doing. The government claims the purpose of HAARP is to basically zap the ionosphere in order to improve communications with nuclear submarines and the like. Could it actually be used to make men impotent? Luckily, the United States government would never experiment on its own citizens without their knowledge and consent—ex-

fucking cross!

Truth is erectile dysfunction is on the rise, now affecting more than 40 million adult males in this country alone—many of them men just

barely into their twenties. In addition, statistics show that sperm counts are way down from where they were just a few decades ago.

Interestingly enough, just take a look at any picture of early-20th century men gathered at their local

there something more deliberate and frightening at work here?

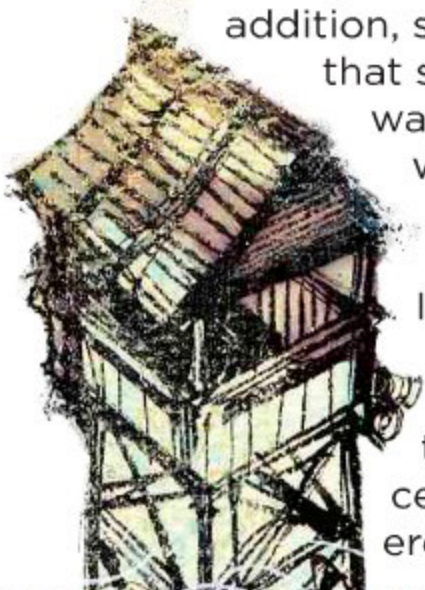

Clearly something, or *someone*—perhaps some shadowy group of elitists hoping to cull the world population down to a mere five percent of current levels—is perpetrating this perfectly horrifying act of malice against the dicks of the free world.

ELECTROMAGNETIC COMBAT

Some men stricken down in the prime of their lives by the heinous disease known as ED (erectile dysfunction), also known as Bob Dole's Disease, are blaming the semi-secret and very peculiar military-govern-

cept, of course, for the fact that the U.S. government *has* and *does* regularly experiment on its own citizens without their knowledge and consent and has a history of doing so. Maybe there's something to these "insane" claims after all.

There is definitely something different about today's man compared to the men of the Greatest Generation, those who fought and defeated the fascist evil empire in Europe during the Second World War. These were the kinds of men who refused to submit to shit of any kind and who'd proudly give their lives to serve their country. These heroes did what they had to do—they sacri-

ficed, suffered, and defeated evil where it lived. They fought their battles and won their wars, knowing that their victories would cost lives, possibly even their own.

But several generations later the work ethic began to putrefy and everything went to shit faster than a piece of fermented, unrefrigerated fish in a humid Mexican dive.

That's because today, along with the 300-odd-million citizens of the military-industrial, corporate, welfare, lower-class management state, we push the cultural deflation forward and continue to degenerate into ever more obese, more flatulent consumers—all the while getting

volvement of DARPA, the Defense Advanced Research Projects Agency, and you've got the makings of a press release that screams in 40-point, bold italics: **"SOMETHING WEIRD IS GOING ON HERE!"** DARPA's understated mission is to develop new and innovative ways to blow human beings to shit. And they're very good at their appointed task.

The most prominent instrument at the HAARP Station in Alaska is the Ionospheric Research Instrument (IRI), essentially a high-powered radio transmitter set to burn holes in the ionosphere. DARPA insists that this is a safe and responsible use of

upper atmosphere, ranging between 40 and 60 miles above the planet's surface. The high-frequency radio transmitter uses over a billion watts of pulsed radio beams to make extremely low frequency (ELF) waves. Traditionally, ELF waves are used to communicate with submarines in the depths of the planet's oceans. It's also useful in penetrating the earth itself and seeing underground, detecting pockets of oil and hidden military bunkers.

HOW THEN DOES IT KILL ERECTIONS?

"Sexual stimulation and sexual excitement cause the brain, nerves,

It starts not as a sudden inability to get a hard-on, but as a hardly noticeable softening of the erect penis.

sucked further and further into the everlasting void of primordial stupidity.

America, one-time "Land of the Free" and "Home of the Brave", has become a fantasy camp and country club for moneyed sociopaths and religious pimps. And so we continue to roll swiftly down the hill and over the cliff of final fiscal damnation, while idiot believers and the party faithful still give chase to the false butterflies of life, liberty, and the pursuit of guns and pussy.

SOMETHING WICKED THIS WAY COMES

When the huge budget for HAARP was evaluated and approved by those in the Ways and Means committee of Congress, the American public was assured that HAARP was nothing more than a research facility with no classified status. Nothing weird is going to go on here, we were told. That very likely should've been the first clue that something weird was in fact going on. Add to that the in-

public money. After all, they say, it's a "research" project. Could the powerful beams of HAARP actually cause male impotence? Very few doctors claim to even have a working knowledge of what HAARP is, and fewer still are willing to speculate on such an idea, especially on the record. One, Dr. Sonya Lyon, of Berkeley, California, is a self-styled whistleblower that not only suspects HAARP is making men sterile and impotent, but that its power source is slowly irradiating all of us with microwaves; in essence, she surmises, cooking us from the inside out. Dr. Lyon, a licensed naturopath, is the author of *Soft Kill: The Coming Erection Deception*. She's been a vocal critic of HAARP from the beginning. Back then, she says, nobody would take her allegations seriously. Today, she says, her phone is ringing off the hook.

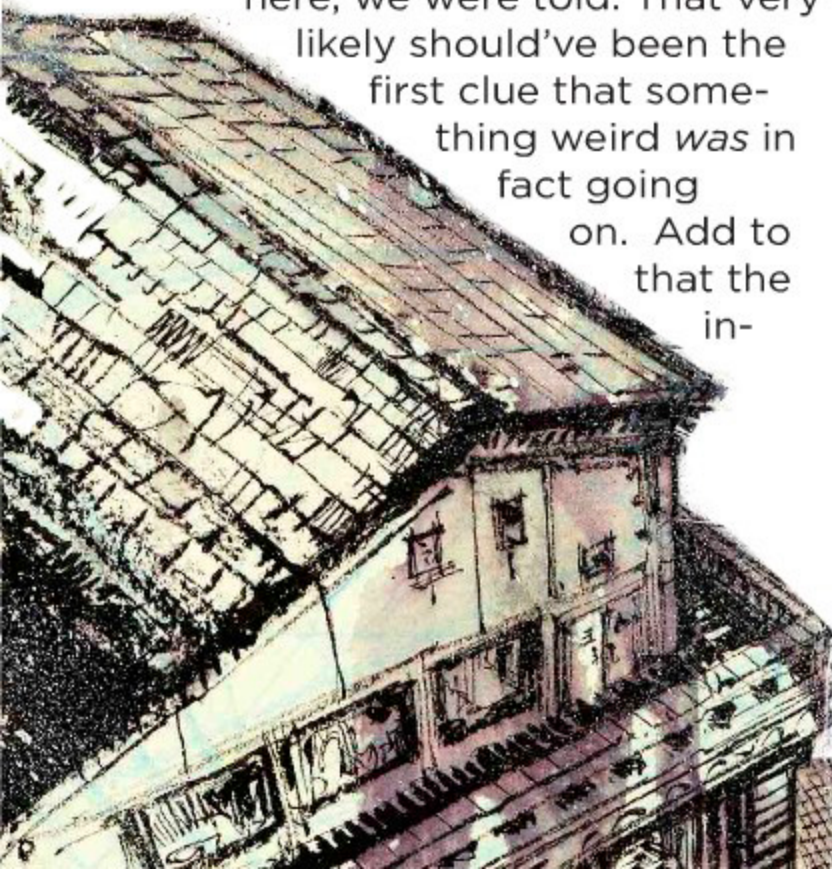

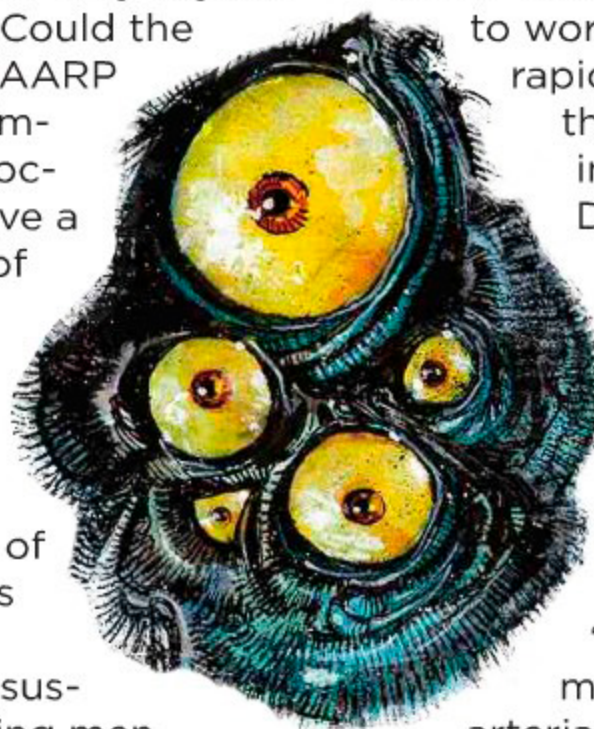

The black heart of the HAARP research facility is located near Gakona, in the snowy, remote Alaskan tundra. For budget reasons, it's listed as a joint Navy and Air Force project, though nobody really knows for sure who's in charge of operations on-site. The program was sold to various budget committees as a way to "study" electromagnetically-charged pockets of the ionosphere, the band surrounding earth's

heart, blood vessels, and hormones to work together to produce a rapid, localized increase in the amount of blood flowing to the penis," explains Dr. Lyon. "That's called an erection, or what many men refer to as a hard-on or a boner. Wood, if you will."

"Erectile dysfunction has an incidence of up to 75% in men aged 80," explains the doctor. "This is normal because most men that age have arterial blockage that makes it near impossible for enough blood-flow to get into the penis and give him a full throbbing erection, the kind that a man in his twenties gets. Yet nothing can explain why this [ED] is suddenly happening to younger men, especially men in their twenties and thirties who have no blockage in their veins. Nothing can really explain this other than some kind of psychological mechanism, or perhaps a lot of random noise penetrating the brains of men and fouling up the natural erection signals, usually a function of the brain's neurotransmitters."

Is it possible then that HAARP is zapping men with some kind of psychological beam that is keeping them from getting proper hard-ons?

"I would never dare to speculate on such a reckless question," says Dr. Lyon. "But in my expert opinion, yes, it's very possible that HAARP

could be the cause of so many limp lads."

Furthermore, Dr. Lyon explains, it starts not as a sudden inability to get a hard-on, but as a hardly noticeable softening of the erect penis. Slowly, you go from rock-hard to something more akin to tightly packed. And what does come out no longer squirts, but seeps out like toothpaste.

Impotence is a very common problem, says Dr. Lyon. "Remember that one in 10 men have a problem achieving, and or sustaining, an erection at some point in their lives. A good seven out of the 10 can be attributed to a psychological cause—usually what's classically known in the literature as your garden variety "performance anxiety."

Treatment for erectile dysfunction varies, but usually consists of everything from counseling to penis pills like Viagra, penis pumps, even shock therapy, and small penis "braces" that support a hard-on like crutches support a man with a broken leg.

So, basically, if HAARP is in fact responsible for shooting large doses of dangerous noise and pointing it at the minds of men, these noise waves could be disrupting and altering the cerebral cortex, which triggers erections in human males. It may even be more severe and widespread than first believed, and it may continue to increase in magnitude and severity because of population growth, urbanization, and the associated advancement in the use of increasingly powerful, varied, and highly-mobile sources of noise for military purposes.

"People have the right to choose the nature of their acoustical environment," says Dr. Lyon. "It should not be imposed by others—let alone an out-of-control government out to rule every aspect of our lives."

SONIC YOUTH

Recent research shows that not only can noise be the cause of erectile dysfunction, but it could also be the cure. On March 10, 2012 *The Guardian* of London reported that impotent men were being offered what is claimed to be the first permanent cure for their condition—sonic blasts applied to the affected

area. "The sound-wave treatment is being hailed as an alternative to drugs such as Viagra and Cialis," reported the newspaper. "But while medication treats symptoms, the new sonic therapy is said to tackle the cause. Although the treatment sounds discom-

forting—it involves directing pressurized sound waves directly on to the genitals—patients have been assured that it is pain-free." The procedure, which delivers 100 blasts of sound waves each minute, supposedly feels like somebody is tapping their dong and takes a dozen, 15-minute sessions before results are achieved. Afterwards, patients experience a not unpleasant tingling feeling.

The men at my Impotence Anonymous meetings were delighted and yet very pissed off by the information I had gathered on what may likely be the cause of all their pain and misery in life. Many of the guys already knew about HAARP, and some even suspected it had a secret nefarious purpose, though few had made the connection between their ED and the government's zest for intruding on the rights of its citizens.

"They say HAARP is a harmless research project meant to melt pockets of the ionosphere," said Stanley, an impotent 39-year-old whose lack of hard-ons had cost him his job, his family, his house, and ultimately, everything good in his life. "And on top of all that, I can't even jerk off. They say project HAARP is for research. They say it's for communications. But now I find out that the real motive may be to keep my Johnson soft. Fuck them."

According to Dr. Lyon, HAARP likely affects everything from the weather to the moods of the masses—whole cities at a time, she suggests. The government has a long history of running mind-control experiments.

FAILURE TO LAUNCH

Matty stood up. His cheeks began filling out with a bright, pink blush. His forehead shined with greasy sweat. "I'm Matty and I have erectile dysfunction."

"Hi, Matty," said the flaccid, rather flat chorus of 10 men and two women.

"My biggest fear about coming to the meeting tonight was that I was going to be recognized and further humiliated. I kept thinking, someone's going to know me and I was scared and almost didn't come."

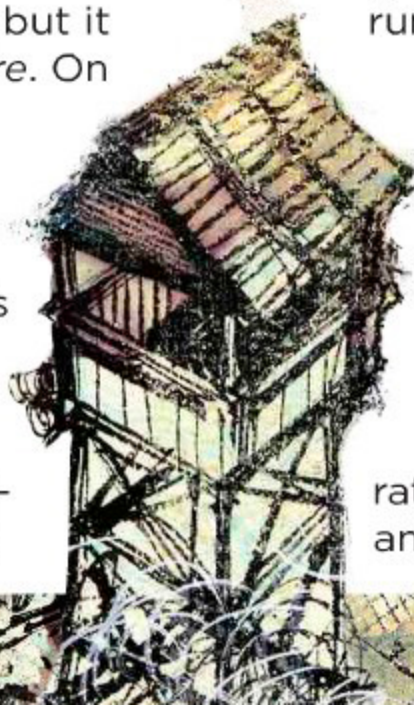

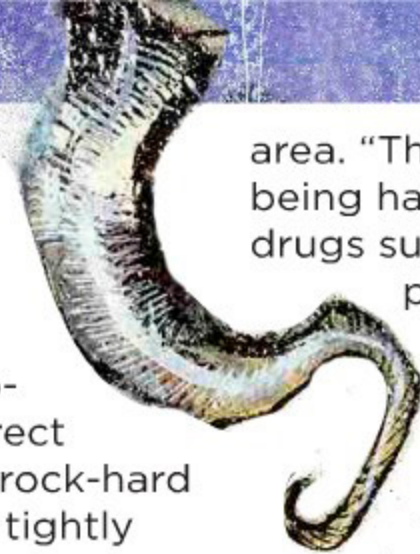

"Fuck," said Marty, flicking his yellow LIVESTRONG bracelet rubber band-like at the trash can at the front of the room. Then he unbuckled his pants and showed everybody what was under his boxer briefs. His balls were wrapped like a baked potato. Clearly he'd heard about the connection between HAARP and hard-ons. He rose in his chair and interjected, "This is no less than state sponsored genital terrorism!"

Earl bent over Bud's chair and began to speak to him about something.

"What if this is true?" said Earl. "What are we supposed to do to fight this damn HAARP?"

"I talked with this doctor," I said. "He thought that there was one way it might be defeated."

Everybody got quiet while I pulled a roll of tin foil from my bag. By the end of the meeting, everybody had two tinfoil hats...one for the big head and one for the little head.

KENDALL KARSON

by Rob Perez

THE HIGH SOCIETY INTERVIEW

PORN VALLEY, CA—PORN STARLET KENDALL KARSON HAS BEEN ON THE XXX FAST TRACK SINCE ENTERING ADULT IN 2011 AND THE ONE-TIME FASHION MODEL HAS ALREADY COLLECTED A BUNCH OF HARDCORE ACCOLADES. NOT BAD FOR SOMEONE WHO NEVER CONSIDERED DOING PORN UP UNTIL A YEAR AGO. BORN AND RAISED IN A CONSERVATIVE CHRISTIAN HOME, THE COLLEGE-EDUCATED KENDALL WORKED AS A DENTAL ASSISTANT, PHARMACY TECHNICIAN, RAN A GOURMET CUPCAKE COMPANY, AND WORKED FOR ONE OF THE LARGEST ENERGY COMPANIES IN THE UNITED STATES. BORED, KARSON THEN DECIDED TO PURSUE SUCCESS IN PORN WHERE SHE CONTINUES TO RAKE IN THE BUCKS. KENDALL HAS ALREADY WON MULTIPLE AWARDS IN 2013: AVN'S BEST NEW STARLET, EXOTIC DANCER AWARDS' ADULT MOVIE FEATURE ENTERTAINER OF THE YEAR, AND HAS BEEN NOMINATED FOR SEX AWARDS' PORN STAR OF THE YEAR, SEXIEST ADULT STAR, AND PORN'S BEST BODY. A RISING, YOUNG STAR, KENDALL IS PART OF THE NEW BREED OF PORN STAR THAT POSSESSES RUNWAY MODEL LOOKS BUT WHO'S INCENDIARY IN THE SACK, TO BOOT.

HIGH SOCIETY: I was watching a BTS of a photo shoot for your website. The guys were all hanging around ogling and you were posing for the camera. The one thing I noticed was that they were all just mesmerized by your abs.

KENDALL KARSON: Really?

HS: Yes, every guy was talking about how incredible your stomach is and they were right.

KK: Wow, I had no idea. Well, thank you! I didn't know that my abs had caused such a stir.

HS: They're not just flat, but toned, with a perfect amount of definition.

KK: Thank you.

HS: Must be your genetics.

KK: Must be. You know I get asked all the time what I do to keep my abs like this and I honestly don't know what to

say. I played sports growing up, but I have not seen a gym in about eight years.

HS: You look like you workout every day.

KK: Well, I'm on a sex and cum diet right now, which is all cardio and protein. So I should be all set.

HS: Are you a size queen? I saw a scene with you and Billy Glide and you looked like you had no problem with his cock at all.

KK: Billy is definitely the biggest guy I've worked with in the industry so far. I don't think I can take much bigger than him, honestly. I love him to death, and he's a great guy, but I do have a very, very tight pussy and it took a lot for me to do that scene. I've done four scenes with Billy now and we work great together.

HS: After you do a scene with a monster-like dick, is it hard to go back to a smaller, average-sized penis?

I'm on a sex and cum diet right now, which is all cardio and protein.

KK: No, no, no. No matter who or what I work with it's always great to go right back to a more comfortable penis that I can really work with.

HS: So, no Mandingo in your future, no Shane Diesel.

KK: No, I don't foresee that happening, but you never know.

HS: Are you bisexual?

KK: I am. I can go down on a clean pussy all day long, but I could never give up cock.

HS: You mentioned the word "clean". Cleanliness is obviously an important component.

KK: Yes, because some girls are more

33589

33146

going to town or anything.

HS: Did you say something to the performer or just grin and bear it?

KK: I don't want to embarrass girls on set, so if or when I get a moment alone with them, I'll kind of say, "Hey, can you go douche?" If I can't get them alone, I won't call them out in front of all the guys because then that's just being mean, so I'll just go and do my job.

HS: What made you get into the industry?

KK: I got into the adult industry because I was in a bad three-year relationship where I was lucky to get sex once a month for five minutes. He never wanted to do anything more than missionary or doggy. I tried bringing girls into the relationship, role-play, and toys, but he didn't want anything to do with any of it. When I broke up with him, I got back into mainstream modeling where I was then recruited into the adult industry. I called up a high fashion photographer

I can go down on a clean pussy all day long, but I could never give up cock.

friend of mine in New York and asked him for advice. He told me I had everything it took to be a successful porn star and to try one scene, and if I didn't like it I never had to do it again—but at least I would know. Two weeks later I moved to LA and here I am now. I feel that porn is the best way for me to try everything I want to sexually and in a safe environment.

HS: How does it feel to explode on the scene and be nominated for numerous AVN awards?

KK: It feels amazing. I've worked extremely hard to get to where I am in my career. It has taken serious ambition, dedication, and follow-through. Seeing all my hard work starting to payoff is very rewarding and pushes me to take it to the next level on a daily basis. I wouldn't be where I am today without the love, support, and encouragement of my fans, and for that I can never thank them enough.

HS: How would you describe this past year?

KK: This year has been incredible so far. I will be focusing on PR, feature dancing, conventions, meeting my fans nationwide, feature/parody movies, radio, opening my own production company, launching a network of sites, and many other large projects that I am excited about and will be announcing in the near future.

HS: Where do you see yourself in the next five years, 10 years?

hygienic than others and I wouldn't want to be down there all day if someone has not done their house cleaning, if you know what I mean.

HS: I hear you.

KK: Plus, the girl has to be turned on by it. If a girl is "gay for pay" and she's just going through the motions to pay her phone bill, you can tell and nothing is really gonna get wet that day. I need a girl to be into it just as much as I am to make it fun and hot.

HS: That makes sense.

KK: I'm a giver. Giving pleasure to people is what gets me off, so if the girl I'm with is not getting excited, it's a turn off for me.

HS: What's the worst pussy you ever went down on?

KK: It was just smelly and sweaty and had a yeast infection.

HS: And you still went down on it?

KK: Yeah, I stayed up top more, near the clit, and made it look good, but I wasn't

THE FUCK FACTS

Birthday: March 28, 1988

Birthplace: Sacramento, CA

Height: 5'8"

Weight: 112 lbs.

Measurements: 32D-25-37

Movies: *Code Of Honor* (Digital Playground),
Foot Prints (Smash Pictures), *Sport Fucking 10*
(Jules Jordan), *Man Of Steele XXX* (Vivid),
Chicks and Guns (3rd Degree)

KK: It really depends on who I am having sex with because everyone connects in a different way, but I usually prefer doggy, missionary, and cowgirl.

HS: *Whom would you prefer to take home for the night, a man or woman?*

KK: Can I take both? That's more fun. I think having more people involved can be more erotic because not only are you involved and can do more things, but you can watch as well, which can be a huge turn on.

HS: *Describe your ideal man.*

KK: I don't really have a type, per se. I find intelligent, driven men who know what they want and how to achieve it to be extremely sexy. It's one thing to be confident, yet not cocky, and talk the talk, but it's another to actually follow through and show results. I'm simple, I want a man who will respect me, be honest, communicate

31985

I thought I would be an overachiever and really impress the director by swallowing the pop shot. The only problem was they hadn't taken stills of the cum shot yet.

KK: In the next five to 10 years, I see myself very involved in the adult industry performing, directing, and producing content. I am opening up my own production company this summer, which I am very excited about and plan on investing a lot of my time and money into it, so that I can invest in many other business ventures in the future. I also hope to be nominated for more awards, be on more magazine covers, and have my own Fleshlight. Someday, in that time frame, I hope to find the right man for me and have a family, but I'm not going anywhere anytime soon.

HS: *Can you describe your first day on set?*

KK: My first day on set is a day I will never forget. I was so anxious and didn't know what to expect. My adrenaline literally pushed me through my scene. I was naked, playing video games, ignoring my boyfriend, until he seduced me into having sex with him. I was so focused on giving a good performance that I blocked everything else out and didn't even notice the major rug burn I had on my knee from riding in cowgirl position on the carpet. I had always swallowed my boyfriends' cum in the past and just thought it was normal, so I thought I would be an overachiever and really impress the director by swallowing the pop shot. The only problem was they hadn't taken stills of the cum shot yet. No one had explained to me in advance what the procedure of filming a pop shot was and I assumed I would be grossed out by the cum. The director's face went blank. He said, "Well, I give you an 'A' for effort and for being so ambitious, but we have to take pictures of the cum before you swallow it." [Laughs] Luckily the male performer was

able to provide another pop shot quickly and the scene came out great.

HS: *What has been the best thing to happen to you in the industry so far?*

KK: Obviously, getting nominated for Best New Starlet and Best POV Sex Scene at AVN 2013 was a very big honor and achievement for me. Other great things would be acting in the new *Superman: Man of Steel* feature for Vivid, and *The Love Boat XXX* parody for Adam and Eve and XPlay.

HS: *How about the worst thing?*

KK: I have been fortunate and haven't had any major negative experiences or issues so far in my time in the industry.

HS: *Describe your favorite sex position?*

with me, and a sense of humor is always a plus. As far as my favorite parts on a man, I would definitely have to say the eyes, abdomen, and ass.

HS: *Please finish this sentence: "My life's motto is..."*

KK: My life's motto is live life unconditionally everyday. You only live once and life is so fragile and so many people take it for granted. No matter what I have been through in life, the good, the bad, and the ugly, I wouldn't take any of it back because it has helped me become who I am today.

HIGH SOCIETY PRESENTS ON THE SET OF...

PURE MILF 3

By Acme Andersson

ALISON STAR

DIANA DOLL

FRANCESCA LÉ

JANET MASON

JULIA ANN

STARRING: ALISON STAR, DIANA DOLL, FRANCESCA LÉ, JANET MASON AND JULIA ANN WITH BRUCE VENTURE, JOHNNY CASTLE AND BILLY HART **DIRECTOR:** BROTHER LOVE **STUDIO:** DIGITAL SIN/PASSION

While some movies and mags will offer you watered-down MILFs, you have the *HIGH SOCIETY* Guarantee™ that we'll only give you the finest, milked-up MILFs and this new movie, *Pure MILF 3*, has some of the hottest chicks to have ever worn the label.

It is virtually impossible to construct a hotter lineup than **Alison Star**, **Diana Doll**, **Francesca Lé**, **Janet Mason**, and **Julia Ann**. These are all "MILF of the Year" candidates, with a couple trophy-holders in there with Francesca and Julia. Each one can blow your mind while blowing your cock, and their ever-moist muffins have been making dreams come true for more than 67 years combined—and that's just in front of the camera! And still each one is devastatingly beautiful today just as in every year we've ever known them.

This all-pro romp features Alison getting banged on her terrace, Diana boinking in the bathroom, Francesca teaching a young man how to screw her ass, redhead Janet taking charge, and dreamy-eyed Julia doing the things we've been enjoying from her for more than two decades. All hail the age of the MILF!

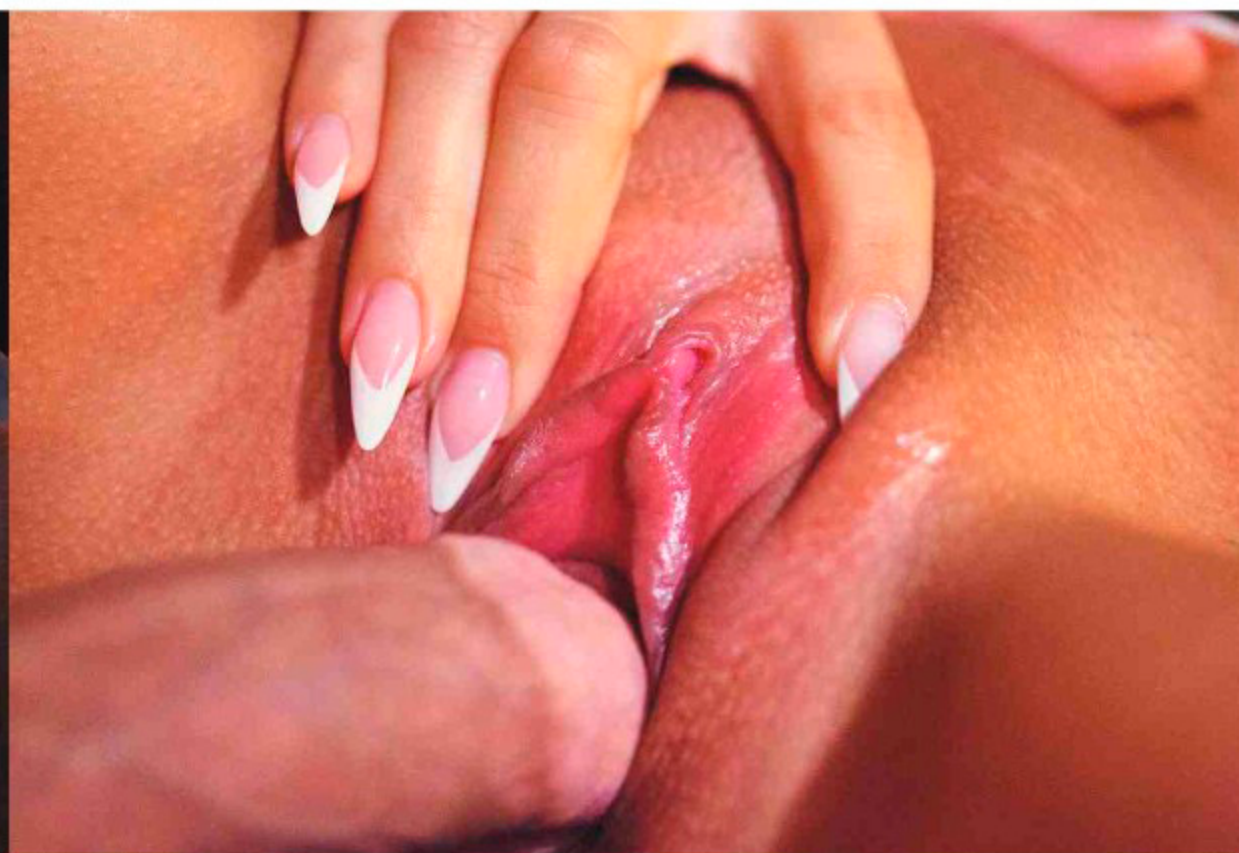

Alison Star Lucky Bastard Bruce Venture

Brunette and busty Alison is the neighborhood's hottest MILF and not just because she's by far the most-sultry mom on the block—she also puts out. She's selective, but she'll give just about any guy one shot at her, but they have to fuck her good to get a second helping. Her favorite right now is Bruce, who lives a couple houses down. He's been finding a lot of excuses to happen by her house lately, and she doesn't need to make any excuses to put his big cock in her mouth.

Tonight they don't have much time, but Alison does her best to make it as sensual as she can, lighting a couple candles and cleaning up the rooftop terrace so they can get each other off before anyone comes home. She un-

dresses for him quickly, dropping her green dress down across her enviable rack, then her sweet ass, and she doesn't need to help Bruce get undressed. Making the best of their time she straddles him quickly and lets him in her steamy twat quickly, Bruce clenching hard onto her firm ass, whispering his amazement and how tight she is.

They turn over on the couch, Alison lying her firm body across, showing off her still-prime body and perfectly-shaved drill hole and Bruce gets her to cum quickly, and then again, and she tells him he needs to blow his wad, too, and "please come inside me, I want to feel your hot cum inside me." Bruce shudders at her words and loses half his load inside her, then lets the rest splash against her pussy, giving her the best of both worlds. There's a little cleanup to be done, but still feeling every stroke inside her, it was all worthwhile.

Digital Sin

MILF Watch: New mom on the block, Alison, takes on Man's Best Friend then a load to the cooter and matako from her lucky, next-door neighbor.

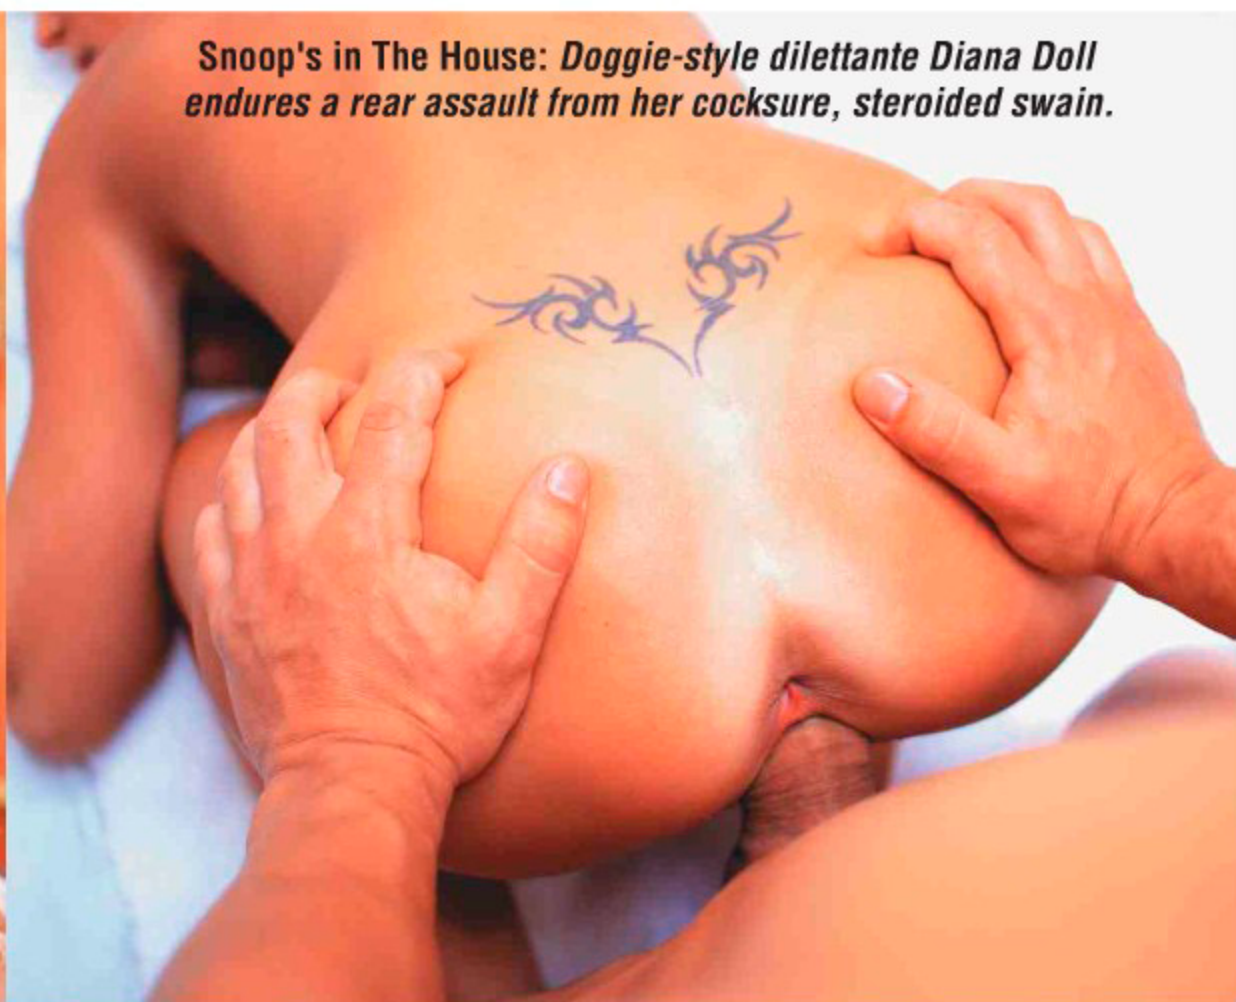

Diana Doll **Lucky Bastard Bruce Venture**

Diana is a girl who likes to spend a lot of time getting ready in the bathroom, but that's not necessarily a bad thing. If she's taking too long, Bruce just goes in to get her and sometimes they don't even make it to the bedroom, let alone out for dinner.

Diana is the appetizer *and* the main course and gets so horny preparing to go out for the night that she puts on a show right there in the bathroom that lets Bruce know his hunger will be satisfied here and now. She lies him down on the fuzzy mat and lowers her warm snatch with its short and curlies,

freshly-trimmed, down onto his impossibly long cock and her nipples pop. Diana just gets wetter and wetter and soon she can't ride anymore, it's too intense, so she lies on her side and Bruce buries his cock inside her without mercy, Doll certainly waking everyone on the block and causing a lot of guys to jerk off to her elevated moans.

Doing her doggie-style really allows Bruce to bust her pussy open and the way he rides her it looks like he's going out of town for a few days and doesn't want her to forget this fuck. He rocks her hard and she responds until he pulls it and relieves his milky dessert on her great ass. "Oh, baby," she tells him, "wanna try the living room now?"

Francesca Le' **Lucky Bastard Johnny Castle**

Francesca is arguably the hottest MILF on any market and has been for years. How she keeps in shape and maintains her intensity is something many have wondered about, but why question a good thing? She looks as hot as ever as she lets the younger Johnny come by for a romp in her bathroom. Seems he's interrupted her bath time, which only makes it all the more convenient—she's already naked and she can warm up the water and clean up after she's done teaching this kid a thing or two.

Her years of knowledge start with one of the finest looking blowjobs imaginable, but she knows the price she can pay if she lets that go too far. She lets him screw her on the ledge of the tub, and then as he goes down to suck

on her sweet nectar she tells him that the pussy is great, but she wants him to take her ass. Johnny gets his cock in her ass in record time, as though she might change her mind (he's not used to a girl who knows what she wants and follows through on it).

Francesca's ass has been well played over the years, but she's a master at keeping all her holes in tip-top tightness and Johnny can't believe his luck as he rapid-strokes her ass, first on the tub, then against the counter where she bends over deep and lets him get every centimeter in while telling him when he's ready he's gotta shoot his love on her face. "Your little girlfriends ever let you do that? Blast on my face like I'm a dirty whore!" Johnny can't take any more of that kind of talk and Francesca gets around on her knees without a second to spare, catching every drop on her still-beautiful face.

Somebody Call A Medic: Axe wounds aside, Francesca Le still sports a top-notch growler.

Janet Mason **Lucky Bastard Johnny Castle**

Janet burst onto the scene a couple years ago and was immediately one of the most talked-about MILFs on the market. With her natural, red hair, blazing, blue eyes and a sex drive rarely found in a woman of any age, this insatiable beauty was all the rage.

Johnny was lucky enough to catch this lighting in a bottle since it turned out the incredible fame she acquired was more than expected and, among other things, she worried the kids were going to find out. But Johnny was in that sweet spot—literally. Not shy about her love of huge cocks, hardcore romping, and being covered with cum, Johnny set out to meet all of her

needs. It turned out, she was the one setting the tone and Johnny was just her meat puppet as she used him to get off. From the time she put his cock in her mouth, Janet controlled everything.

When he screwed her mish, it was at her insistence—"fast! Hard! Make me fucking scream!"—and Johnny was turned almost into a sex robot as he tried to satisfy her. When she was on top it was more her style, controlling the pace and making sure his dick hit all her special spots, which seemed to be just about anywhere inside her pussy. When she let him get back on top, Johnny knew his role and he drilled that sexy mama until she could hardly breathe, then pulled out, and drizzled his jack onto her jill. "You do nice work, kid," she told him with a smile.

The Kids Are Alright: Cocksut mommy, Janet Mason, rides Johnny's schmeckel to several contorted O faces.

Julia Ann **Lucky Bastard Billy Hart**

Julia Ann is a perennial favorite in the MILF industry, as evidenced by her many awards for her over-age screwing. As much as anything, it's the seablue eyes that draw men in and she's been keeping them happy in the jizz biz since 1992—before half the girls in porn today were even born.

That 20-plus years and more than 400 movies adds up to a true pro with experience no newbie could dream of. Billy may be far from the first, but it seems with each one she just gets better. Her pussy is still beautiful and gets wet as hell when he touches her. They rip her nylons open and she grants him access to her snatch, just a fluff of blonde hair and still with teenage tightness. She

looks Billy in the eye as he pumps her full of cock, giving that well-practiced fuck-me stare that would have any amateur losing his load on stroke three.

Billy bends her over and plays with her ass as he dominates her doggie, Julia saying all the right things as she moves in all the right ways as her snatch clenches for him and for the camera. Getting up for the reverse cowgirl, we are the beneficiaries of her sweet eyes, as well as the still-stunning body. She bends over so far that her head is almost on the floor, crating an ultra-tight curve in her pussy that she knows will bring Billy to his final climax. She rides it out as long as she can, then gets between his legs and jerks his cock until its gooey reward is pasted on her face. It's hard to believe she'll get any better than this, but she probably will.

LOIN ORNAMENT

We all know the one neighbor's house whose front yard is a junkyard—usually it starts with a broken down heap parked on the grass. We carp at them and call them eyesores, but none of **Sophia Knight's** neighbors are doing much complaining today. Sophia dragged an old couch onto her front yard and then brought out a soft, purple blanket to cover over it. And then she stripped down and started fucking herself, in full view of the entire block. In fact, the guys from the neighborhood watch have been paying particularly close attention to her house all day. Sophia rises up and down on the fuck toy like an animal on the carousel. As she starts to cum, the entire neighborhood bursts into applause. Meanwhile, just a few houses down, her friends back a moving truck right up to the house and cart away her neighbor's pricey art collection. Can't say it wasn't worth it.
